Scripture Conversation Luke 17:26-28 & Genesis 6:14-16

Just as it was in the days of Noah, so too it will be in the days of the Son of Man

Make yourself an ark of cypress wood; make rooms in the ark, and cover it inside and out with pitch.

They were eating and drinking, and marrying and being given in marriage. They were going to church on Sunday, listening to podcasts, planting gardens and texting while driving

This is how you are to make it: the length of the ark three hundred cubits, its width 50 cubits, and its height 30 cubits

Likewise, just as it was in the days of Lot: they were eating and drinking, buying and selling, planting and building, picking up grandchildren from school, posting selfies

Make a roof for the ark, and finish it to a cubit above; and put the door of the ark in its side; make it with lower, second, and third decks

...until the day Noah entered the ark, and the flood came and destroyed all of them.

And Noah did all that the Lord had commanded him. He and his household were saved.
